

EXTEND RATE LOCK

If you would like to extend your rate lock **PRIOR** to expiration

Click on **Pricing** → **Lock Confirmation**

Once on the Lock Confirmation Details screen **Click on Extend Lock**

Once on the Lock Extension Request screen, you will see the Current Lock Expiration Date in bold.

Below you will see your rate lock extension options for your loan. It will list the Number of Days, Cost, New Expiration Date and the Select button.

Decide which line option works best for your scenario and **click on Select.**

# of Days	Cost	New Expiration Date	Select
1	-0.040	01/15/2021	Select
2	-0.080	01/19/2021	Select
3	-0.120	01/19/2021	Select
7	-0.125	01/21/2021	Select
15	-0.200	01/29/2021	Select
30	-0.500	02/16/2021	Select

Once you have selected the best rate lock extension option, you will then receive a confirmation providing you the details on the extension.

Once you return to the Lock Confirmation Details screen, the rate extension adjustment will be listed.
